EXPERIENCE HIGHLIGHTS

Facebook Reality Labs, Redmond, WA Research Assistant

9/2018 – Present

Spearhead field team coordination, scheduling activities, delegating assignments, and prioritizing tasks for research and equipment testing. Gather and analyze data, operating equipment prototypes to collect datasets for mixed reality research scientists. Document bug reports, tickets, and software changes, ensuring accurate and complete technical documents.

- Played a key role in early project completion, evaluating required tasks and delegating per member strengths, resulting in project delivery 20% sooner than estimation.
- Piloted testing, troubleshooting, and debugging, utilizing programming skills and leveraging Linux and general OS tools in Ubuntu and Fedora to ensure quality software deployment.

Multiple Engagements, Seattle, WA Front-End Developer and Designer, Freelance

3/2018 – Present

Deliver engaging and responsive websites for small businesses, ensuring client scope and budget are met. Communicate with clients to gather project requirements and manage expectations, driving project planning, establishing workflows, and producing results that exceed client expectations.

- Completed website design, development, and launch within timelines, providing outstanding customer satisfaction.
- Identified and employed multiple technologies dependent upon technical requirements and client needs.

Paint Logic, Seattle, WA Shop Manager

8/2011 – 11/2017

Oversaw effective team, completing vehicle painting services for high-end cars. Supervised associates, drove financial operations including billing, and directed vehicle deliveries.

- Developed an organizational website, building responsive static site utilizing HTML, CSS, JavaScript, and Bootstrap, ensuring mobile friendly usage and ease-of-use ([Website](#)).
- Streamlined process flow to ensure target dates kept with strict adherence to schedules.

Additional Experience

Designer, Yuendi Design, Tukwila, WA

Tech & IDX Support Specialist, Northwest Multiple Listing Service, Kirkland, WA
